

Gate Passing Drill: Passing for Accuracy

Setup: Form a gate with two cones (one gate per two players) approximately 3 feet apart

1.

The player with the soccer ball starts by passing the ball through the gate to the player without the ball

2.

The player who receives the ball should immediately pass it back through the gates (or cones)

KEY

-  Player with ball
-  Player
-  Ball Movement
-  Cone

NOTES

-
- Make it harder:**
Space cones closer together
 - Make it easier:**
Space cones further apart
